YOU SHOULD ALWAYS HAVE A WINTER WEATHER PREPAREDNESS KIT IN YOUR HOME. MAKE SURE IT IS STORED IN AN EASILY ACCESSIBLE, DRY SPACE & EVERYONE IN YOUR FAMILY KNOWS WHERE IT IS LOCATED.

- Water: One gallon per family member for three days
- Food: Nonperishable and/or dehydrated – dried fruits, nuts, granola bars
- Emergency heat source: Fireplace, wood stove, or space heater – properly ventilated
- Baby items such as diapers and formula if needed
- Flashlight and/or LED lantern and extra batteries
- Candles and waterproof matches
- First aid kit: Including any prescription medication that family members take on a daily basis
- Battery powered AM/FM radio
- Cell phone chargers and batteries
- Multi-functional tool
- Camp stove
- Sleeping bags/blankets
- Portable water filter
- Pet food and water
- Heating fuel
- Waterproof/fireproof container to store important family documents:
  - Birth certificates
  - Last will and testament
  - Passports
  - Social security cards
  - Marriage certificate
  - Health information
