

CAR SMARTS FOR SUMMER

SPONSORED BY

hum[💡]
by verizon

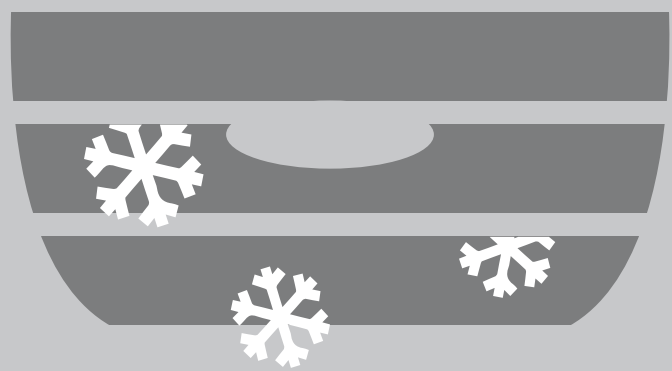

Take care of your car and everyone in it.

THINGS ARE HEATING UP... GET YOUR CAR SUMMER-READY.

Check your coolant levels before things get too hot, and refill if low.

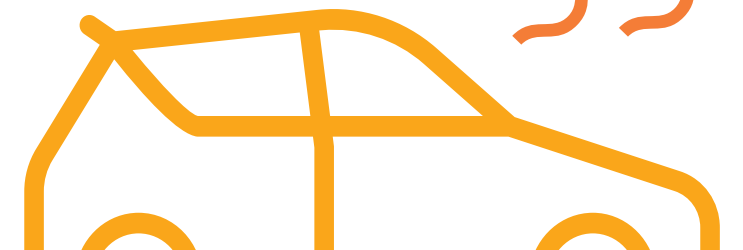

Inspect your air-conditioning system before summer starts.

Overheated tires can become underinflated and carry the risk of a blowout on the road.

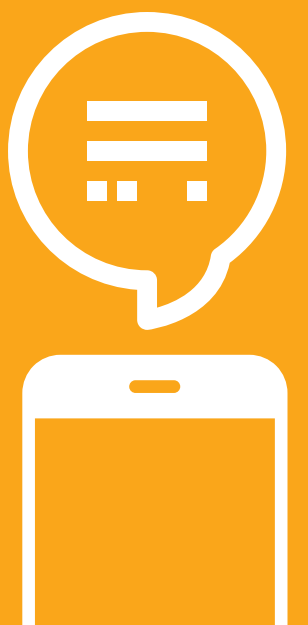

A dashboard sunshade will protect the interior from sun damage and keep it cooler.

OF DRIVERS
HAVE TROUBLE
STAYING FOCUSED
ON THE ROAD
DURING SUMMER

Think hands-free is safer? You actually need **just as much brainpower to see and avoid road obstacles** as you need to **fully absorb a page of a book** you're reading. **Eyes AND mind on the road!**

SEATBELTS SAVED AN ESTIMATED
14,668 LIVES

SEATBELTS CAN:

- Reduce fatal injury 45%
- Reduce light injury 50%
- Reduce injury by airbag

Buckling your seatbelt is the **single most effective action** you can take to protect yourself in a crash.

KEEP A CAR EMERGENCY KIT

- Several gallons of water
- Nonperishable food items
- First aid kit
- Jumper cables
- Flashlight
- Road flares
